

An architectural rendering of a landscaped urban area. In the foreground, a paved walkway curves through a green lawn. A large, mature tree with dense green foliage stands prominently on the right. In the middle ground, a series of low, manicured hedges runs across the scene, with several cars parked behind them. A few stylized human figures are scattered throughout the landscape. In the background, a large, modern building with a grid of windows is visible, partially obscured by more trees. To the left, a building with a green roof and arched windows is also visible. The sky is a clear, light blue.
